

LUNA STOOL

PRODUCT OVERVIEW

The LUNA Stool reflects the essence of quiet strength, a sculptural form rooted in craftsmanship and emotion. Its rounded silhouette and curved timber base evoke a sense of grounded serenity, while the soft upholstered seat and textured backrest invite comfort and tactility.

The composition plays with material and contrast: solid wood anchors the form, while the bouclé or velvet seat and patterned textile backrest introduce warmth and individuality. This juxtaposition captures the INVERTI philosophy, balance between strength and softness, geometry and soul.

Handcrafted in the UAE, the Luna celebrates the artistry of detail, designed to blend harmoniously in both bold and understated palettes.

MATERIALS & FINISHES

The stool features a solid oak or walnut base with a satin matte or open-pore finish, providing a warm and natural foundation. The seat cushion offers a customizable upholstery palette in bouclé, velvet, or woven fabrics, while the backrest is upholstered with optional patterned textiles or leather in floral, neutral, or tone-on-tone designs.

The edge trim is crafted from solid timber with a rounded, hand-sanded contour, adding a refined artisanal touch.

THE INVERTI EFFECT

The Luna Stool embodies the INVERTI Effect, transforming in mood and material through curated combinations.

Select from bold palettes of deep velvets, patterned textiles, and rich timber for a striking sculptural statement; or soft tones of linen, bouclé, and pale oak for a serene, tactile interpretation.

Every iteration of Luna tells a different story, allowing the piece to shift effortlessly between character and calm.
