

THE OLIVIA BENCH

PRODUCT OVERVIEW

A sculptural dialogue between contrast and harmony, where marble, steel, wood, and fabric converge in balance.

The OLIVIA Bench unites bold geometry with human warmth; a piece that feels both grounded and poetic. Designed and crafted in the UAE, it embodies the spirit of inversion, where strength meets softness, and form meets emotion.

MATERIALS & FINISHES

The bench features a walnut veneer base in a satin matte finish, paired with a removable upholstered seat insert, available in Bouclé or custom fabrics with varied textures and patterns.

The main cylindrical leg is crafted from striped black and white marble, offered in honed or polished finishes. Two accent legs contrast in travertine and plexiglass. An interchangeable leg cap is available in polished stainless steel, high-gloss electric blue, or high gloss dusty pink.

THE INVERTI EFFECT

Each Olivia Bench transforms through the intentional interplay of materials and tones, shifting from bold and graphic (striped marble, vivid resin, high contrast) to soft and subdued (muted textiles, pale woods, warm metals).

Select components are interchangeable, allowing for personalized combinations that reflect individual taste and context. This inherent versatility enables the piece to adapt effortlessly to its environment, embodying The INVERTI Effect: One form, endless moods.
