

VIOLETA COFFEE TABLE

PRODUCT OVERVIEW

The VIOLETA Coffee Table is a study in contrast and harmony, where playful geometry meets refined craftsmanship. Each cylindrical base carries a distinct character: one grounded in natural stone, another reflective in metal, and a third crowned by the high gloss effect, a vivid azure accent that gives the table its name. This combination transforms Violeta into a statement of color and proportion, an object that feels both architectural and emotional.

Handcrafted in the UAE, it captures the INVERTI spirit where materials converse and mood shifts effortlessly from bold to soft, depending on finish and tone.

MATERIALS & FINISHES

The coffee table brings together a tactile mix of travertine or limestone for the tabletop, finished in a honed matte texture. Its base is composed of contrasting elements: a solid walnut leg in a satin finish, a polished stainless steel leg with a mirror sheen, and a striped marble and stone composite leg defined by an alternating rhythm of honed stone and polished metal.

A fourth leg in violet translucent resin introduces a sculptural note with its gloss finish.

The interchangeable tabletop inserts available in resin or brass come in Electric Blue, Graphite, or Soft Sand, allowing subtle shifts in tone and character.

DIMENSIONS	Sizes CM	Length	Depth	Height
		120	80	40

THE INVERTI EFFECT

The Violeta Coffee Table embodies the INVERTI Effect, the power to transform through material and tone.

By selecting different side table finishes, the piece transitions from BOLD (graphic, high-contrast, expressive) to SOFT (neutral, tactile, and calm). Each configuration redefines its character, creating a dynamic yet timeless centerpiece.

CRAFTSMANSHIP DETAILS

- Designed and handcrafted in the UAE
- Multi-material leg composition, individually hand-finished
- Seamless transitions between natural and synthetic materials
- Precision edge detailing and hand-polished resin
- Sustainably sourced materials and locally fabricated components

CARE INSTRUCTIONS

- Clean travertine with a soft, damp cloth and neutral soap
- Avoid abrasive or acidic cleaners.
- Use microfiber for polished metal and resin surfaces.
- Protect from direct sunlight and extreme humidity to maintain tone and transparency.

LEAD TIME & CUSTOMIZATION

- Lead Time: 6 weeks from order confirmation
- Customization: Available in material, tone and configuration upon request.
- Design Origin: C'est ici Design Studio, Dubai
